Pee Wee Class Announcement - Saturday, February 26, 2022
Ring and time To Be Determined
(Geared for children ages 5-9; Saturday Only)

Each Pee Wee unit consists of the child, their responsible adult, and the dog. Only one Pee Wee unit is in the ring at a time. This is not a competitive class, but rather a fun, learning experience for the child and the adult.

- A dog must be at least four months of age to enter the Pee Wee class.
- All dogs entered must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring. The adult is to maintain control of the dog outside of the ring.
- Dogs that are allowed: AKC fully recognized, Miscellaneous Class breeds, PAL listings, FSS breeds, and All-American
- A release must be signed by the child's parent or legal guardian. Pee Wee Release of Liability will be available at the show. A time and ring will be listed in the judging program.
- The entry fee has been waived by the club. There is no cost for this event. Entries will be accepted on the day of the event.
- The safety of the dog and child inside and outside the ring is a primary concern. Outside of the ring, the dog is to be controlled by the adult accompanying the child. At the Judge's discretion based upon the size of the child and the dog, for safety purposes the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together.

Although the word "judge" will be used, this is designed to be a learning and mentoring experience—no Junior will be "judged" but rather will be mentored with the age-appropriate amount of information to help prepare them for what they will be expected to know about AKC regular Junior Showmanship once they reach 9 years of age. The children will be mentored one child, their adult, and dog in the ring at a time. Each child will receive a participation ribbon or rosette to commemorate the experience.

There is no pre-entry, but we would like to know the number of Pee Wee Participants to expect. Please send an email with the participant's name and adult's name by February 19.

To make a reservation, and for any questions regarding this Special Attraction, please contact:

Jayne Sherman, jaynesherman@cox.net

DEDICATED TO BICHON FRISE RESCUE

This year our specialty shows are dedicated to charitable not-for-profit Bichon Rescue organizations that cherish, care for and protect our amazing breed. Their daily mission is to rehabilitate and rehome bichons and give them a second chance at a wonderful life. The costs associated with their efforts can be significant, especially when extraordinary needs arise to provide for medical care. The Bichon Frise Club of San Diego receives financial aid requests from many canine rescues each year. In 2022 our club will be allocating 40 % of the net profits from our Specialty Show fundraising donations toward providing support for Bichon Frise rescue efforts. The following Bichon Rescue organizations will benefit from your support.

Bichon Furkids Rescue -- Bichon Rescue of Orange County -- Bichon Rescue Brigade.

Please consider becoming a sponsor so we can give financial assistance to these amazing volunteer organizations and the bichons they rescue. Visit our club website to make a donation.

Suggested Best Practices for the Well-Being of Dog Sport Participants

The AKC supports each club's informed decision to reschedule, postpone or cancel their respective events, as well as supporting clubs ready to hold events in locations that are open and permit gatherings. As events resume across the country, people need to feel safe while enjoying their dog activities. The AKC urges clubs to take appropriate precautions for the benefit of their participants. Events need to be held in a manner that emphasizes the safety of participants and event officials over efficiency.

The following is a list of suggested best practices that may be helpful when planning or attending an event. Event locations, facilities and dates will differ. With a situation that is continually evolving, it is up to the clubs to determine the guidelines that best fit their event. In order to inform participants, specific guidelines established by the club/cluster should be published in the premium, show catalog, club website and posted on signage/flyers at their event.

General Practices

1. Clubs, officials and participants are required to follow state, local and facility guidelines that apply to the area and site where the event is held.
2. Practice social distancing consistent with guidelines in effect at the time of the event. Avoid congregating to the extent possible.
3. Consider wearing masks when in close proximity to others. Clubs should provide masks if desired for officials, judges and volunteers.
4. Consider wearing disposable or washable gloves.
5. Wash hands as frequently as possible. Have disinfecting spray at bathroom facilities for people to spray door handles (or anything else they touch). Consider hiring bathroom attendants to maintain maximum cleanliness.
6. If you utilize portable toilets, please ask for a hand washing station(s) to be delivered as well.
7. Avoid shaking hands, hugging, or other physical contact.
8. Avoid touching dogs that are not your responsibility.
9. Avoid common use pens/pencils – bring your own.
10. Disinfect surfaces in common use areas as often as possible (tables, chairs, doorknobs, etc.) Clubs and facilities may consider not providing chairs.
11. Meals - Avoid or stagger group lunches/dinners if possible. Hospitality areas should avoid community items such as salt and pepper shakers, condiments, creamers, etc. Participants should consider bringing their own lunch/drinks.
12. Vendors should follow retail guidelines for the area.
13. Parking – Park with sufficient distance between vehicles if possible. If there is a parking fee, ask exhibitors to bring exact change.
14. Indoor show sites should work with facilities to have as many entrance/exits points open as possible. Hand sanitizer should be available at every entrance to the site and at multiple locations within the site.
15. Parking/unloading staff should wear masks and sanitize their hands following the assistance of each individual.
